2nd place - $120
3rd place - $75

Formation of Teams

*After the closing date of registration, registered players will be categorized into 3 groups based on SA rating and playing experience

*A whatsapp group will be created and the players classification will be published. The players can then form their teams of three (3) players by selecting one players from each group, in order to balance the teams' composition. The teams will submit their players names in whatsapp. The organizers will allot a period for players to form their teams. Players with no groups after the period will be grouped by the organizers.

Game Mechanics

*Lexicon: Collins Scrabble Word 2024
*Challenge Rule: 5-pt per word
*All teams will play 7 games

*The format of the matches will be determined by the organizers based on the number of teams and will be announced before the tourney

*Before each round, the team captain submits the player order (1,2,3) and each player in the team shall play the player of the opposing team with the same player number (this means that there can be surprise matchups between the two teams)
